THE SHOW'S MORE FUN WITH FRIENDS, CO-WORKERS, FAMILY

the Foreigner

The Foreigner is set in a rustic Georgia lodge, where frequent guest, Froggy LeSeuer, brings his shy friend Charlie, a young man so afraid of conversing with strangers, that they tell the other guests Charlie is from a foreign country and knows no English.

The fun begins when everyone speaks unguardedly in front of Charlie, making him privy to furtive plans and super secrets that create a play with

**nonstop hilarity and a
wildly funny climax.**
